

Worldwide Prayer Chain

May God preserve humanity above
all from wars and catastrophes

In many places throughout the world it is being brought to our attention that the old prophecies have begun to be fulfilled. As well, we hear through the media that natural disasters have become more frequent and stronger. Heaven proposes that we beg God uprightly through forming a **Worldwide Prayer Chain** in order to prevent or appease the shattering events, such as civil wars, revolutions or the like, a 3rd world war, natural disasters and severe earthquakes.

Reserve **an hour** of prayer **once a week** (or more often if desired) for this great intention.

„May God preserve humanity above all from wars and catastrophes“

You are free to choose the day of the week and the time of the day. However, it need not be the same day of each week nor the same time. Why not begin this week and persevere till the time comes, when wars and disasters have become events of the past.

You can apply per email if you wish.

Forms of prayer during the hour of prayer:

- Prayers and hymns of praise and thanksgiving to God.
